Dear Scientist,

ANIMAL TRIAL OF MY COVID-19 CURE CANDIDATE

I intend to conduct an animal trial of my cure candidate for Covid-19, and because of resource limitations, I also plan to use this same opportunity to try out the cure candidates for **HIV, Hepatitis B and Cancer**. Given the threat posed to the nation by the prevailing wave of Covid-19 pandemic, it is important that as a scientist I act with urgency. If there be need for any information regarding this particular work, I am ready to avail such to you.
